To the wonderful Calne Singers,

I hope you're enjoying the festive season so far – a busy time of year for you I'm sure! Thank you so much for entertaining members of our Fitness & Friendship Club again yesterday at their Christmas party. I hear everyone had a wonderful time, and I've seen a couple of lovely video clips this morning.

And a big thank you for nominating Age UK Wiltshire again, as the charity to receive donations from your recent concerts. The funds you've donated will be used to support the costs of running our Fitness & Friendship club in Calne.

We remain so grateful for your support.

Very best wishes,
